➤ Recommendations:

- Replace or remove broken links.
- Regularly check for broken links using automated tools.
- From the above set of Broken Link it is evident that many Links represent the imperfection in the anchor tags used to embed images with the webpage. The images upon click are not directed to a new webpage so it is requested to look over the anchor tags of the webpage.

➤ Recommendations:

- Replace or remove broken links.
- Regularly check for broken links using automated tools
- From this Page it is evident that most of the error of the link is due to the image tag i.e., from the Anchor Tag.
